Study visit | Labico 8/04-12/04/2013

Special education Antwerp

Title of the visit

Developing competences of learning support teachers: key for inclusive teaching

Topic

Promoting social inclusion and gender equality in education and training, including integration of migrants

Labico

Stedelijk
Onderwijs

- Presentations of the participants' countries education systems and of their organizations, underlining the theme of inclusion (legislation about disability, special classes, learning support teachers, etc.)
- “scuola secondaria di 1 grado” (lower secondary)
- Observation of the work ongoing in some classes of “scuola primaria” (primary school).

- Meeting with Professoressa Lucia Chiappetta Cajola and Amalia Lavinia Rizzo, who cooperated with the school for the inclusion project. Proposal to the participants of a research project and agreements. Some of the participant will present LLP programme , will explain the aim of the study-visit and the good/best practices about inclusion effective in the participants' countries.

- Inzicht
- Concreet (good and bad practices)
- Internationaal karakter
- Netwerk vergroten
- Samenwerking
